MEMBER GOALS

What does a \$1,000 net impact look like?

As a member of the enCourage Kids Young Professionals Board, you are committing to a net impact of \$1,000 throughout your year of service. You will be supported by the Young Professionals Board and the enCourage Kids staff to help you reach your goals. Each plan can be personalized to your network, industry, and personal connections.

There are three ways you can reach this goal:

Personal Donations

Money donated personally by you.

We ask that this be at least ¼ of your \$1,000 commitment (\$250).*

To note: this personal donation can be done through a monthly donation. To reach the \$250 goal, you would need to give \$21/month for the entire year of your service.

Leveraged Donations

Money donated to enCourage Kids because of your connections.

This can be corporate matching gifts and donations and friends and family event ticket or raffle purchases, donations, and event sponsorships. Any monetary support that can be associated to you will fall in this category.

Goods & Services

Items or services donated to enCourage Kids. This can include auction/raffle items, vendor services, pro-bono services, and more. The amount counted towards your net impact will be the Fair Market Value (FMV) of your donated item or service.
